

Year 3 Parents Information Sheet

Autumn 2 - 2020-2021

Dear Parents and Carers,

Our topic this term is: 'We Are What We Eat.'

This term we will be revising and consolidating key skills in each of the core curricular areas as well as learning new skills. In this topic children learn about food & farming, & how what we eat can affect our health & wellbeing. They will look at the history of farming, focusing on the development of farming methods in the Iron Age.

Literacy	This term we are looking at narrative writing (George's Marvellous Medicine) and Instructions.
Speaking and listening	Expanding our vocabulary, using a variety of conjunctions and different sentence types (compound and complex).
Numeracy	Money, Fractions, Measurement, Time, Shape, Place value, Addition & Subtraction.
Science	Learning to identify that humans and some animals have skeletons, food digestion, healthy diet and farming.
Computing	E-Safety (Safety on the Internet) / Coding and Programming Researching Iron Age and Farming.
History and Geography	Studying Early Farming and researching about Iron Age in Britain, researching trade links, Fair trading and locating origins of food.

PSHE	Celebrating difference

Please join us for your child's assembly on: TBC	Trips this term: Virtual Trip - TBA Virtual Pantomime: 12.12.20
Reminders PE days: Year 3 Gold & Orange have PE on Tuesday. PE kits must be brought to school on Tuesday and kept in school until Friday. It is essential that your child brings in a change of clothes and trainers. Glasses: If your child wears glasses please ensure they bring them to school every day. 	Homework: You can support your child's learning by asking them questions about what they have been learning at school. Listening to your child read and asking them questions about the story. Please try to support your child with their learning at home, as homework is given to reinforce the work your child is doing at school. You must also ensure your child reads every day at home. Homework will be spelling, reading, times tables, number bonds and project homework.
