Sometimes we feel disappointed because things don't happen as we expected or wanted.
Sometimes we feel let down by people who behave differently from what we expected from them.

How can we overcome our own disappointments?

What can we do to help others to overcome their disappointments?

Make a list of all the positive things you can do to make yourself feel better when you feel disappointed.

Then make a list of all the things you can do to help someone in your family if they were feeling sad and disappointed.

Use the Language Structures below to help you:

When I feel disappointed, I know I can...

If I ever feel let down by a situation, I can.....to make myself feel better.

If someone I knew felt disappointed, I would.....to make them feel better.

When I see myfeel sad, Ito cheer them up.

I know that I can.....to make others feel better.

DT/ART

Can you design your own Mayan headdress? Look at the examples below and use materials at home to design and make your own Mayan headdress. Remember the more extravagant the headdress was, the more important the person would be.

Email your fabulous Mayan headdress pictures (even better if you are wearing them) to the class emails below so that we can post them in our Google Classrooms and hopefully on the Osmani Twitter too.
