Summer Homework Reception to Year 1 Due in: Friday 9th September 2022

There are lots of fun activities and games you can do over the summer. Here are a few ideas to help you...

Find different items to count!

How many adverts are there between your favourite cartoons on TV? How many trees are there on your street? How many parked cars are there on your street? How many cars drive past your window during 15 minutes?

0	+	20	=	20
1	+	19	=	20
2	+	18	=	20

Reception (Going into Year 1)

Literacy learning in the summer

Are you looking forward to the summer holidays? We are too! It's a wonderful time to have lots of fun and learn in different ways.

Here are some tips and ideas for how to keep your learning going over the summer while you're away from school.

1. Go to the Idea Store!

Monday to Friday: 10am to 6pm. Saturday and Sunday: 12pm to 4pm

Visit their website or pop in and ask about the reading activities they run over the summer.

2. Book Review

Why not write a book review of the books you read during the holiday. Remember to include:

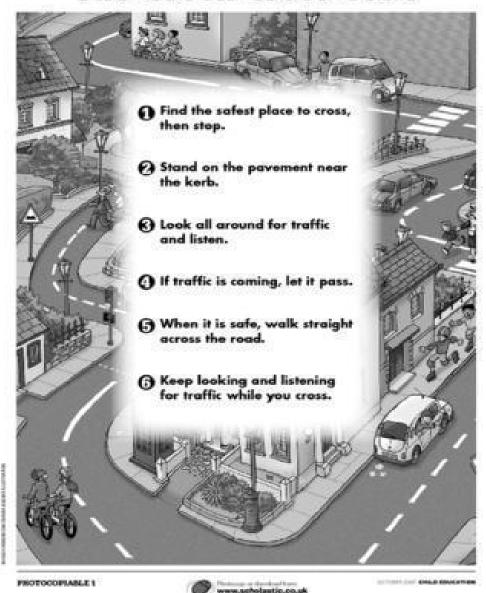

- The author and the title.
- What is the book about?
- Did you enjoy the book? Tell me why or why not?
- Draw a picture of the front cover.

Getting out and about in London.

Your child will go on lots more trips in Year 1. Teach them road safet

#SCHOLASTIC

The Green Cross Code

Reception to Year 1

Getting out and about in London

It will also help them if you get them used to using escalators and the underground. Canary Wharf is a great place to practice escalators.

Why not visit the Whitechapel Gallery?

Whitechapel Gallery 77-82 Whitechapel High St London E1 7QX

FREE admission

Open: Tuesday - Wednesday

11am till 6pm Closed: Mondays

The Museum is located less than 1 minute walk from Aldgate East underground station. Alternatively, Liverpool Street and Tower Gateway stations and Shoreditch High Street overground station are approximately 15 minutes walks from the Gallery.

Enjoy exploring the gallery!

You can even go for a wonder round Tower of London to find out about England's great past!

London EC3N 4AB

Open: Wednesday - Sunday

10am till 6pm

Phonics is one of the first steps in learning to read. It helps your child decode words by making sense of the sounds. It will really help your child if they continue to practice the phonics they have already learnt.

Phonics websites

www.firstschoolyears.com

A good selection of resources including worksheets and some interactive games.

http://www.primaryresources.co.uk/english/english.htm

Under word level section of literacy, a good selection of worksheets and PowerPoints. Covers-

- Early phonics and alphabet work.

https://www.youtube.com/watch?v=saF3-f0XWAY

A range of phonics songs to sing along with, to help you remember your sounds.

https://www.phonicsbloom.com/

A very good selection of online games focussing on helping teach children the relationship between letters and sounds.

www.ictgames.com/literacy.html

A great selection of games that link well with games in Letters and Sounds.

https://www.phonicsplay.co.uk/Phase1Menu.htm

A range of interactive phonics games.

https://home.oxfordowl.co.uk/

Oxford Owl is packed with expert advice, top tips and activities to support children's phonics learning.

Year 1

Science in the Summer

What's inside a balloon? Why does it rain? How can I make my bubbles bigger? These are tough questions but all you

need to answer them is natural curiosity and a love of science!

Here are some tips to help guide you in sparking your interest in science: -Visit the Science and Natural History Museums and see wonderful galleries and exhibitions. I especially like the WonderLab (at the Science museum) as it's got some fantastic activities for you to investigate. It's open Wednesday - Sunday, from 10am - 6pm. But please note that you will have to buy a day

pass for this interactive gallery. Also please note that entry to the Science Museum is free but pre-booking is required. So you must book a free Museum Admission ticket in order to enter the museum. http://www.sciencemuseum.org.uk/

Entry to the Natural History museum is also free but you **must pre book your free ticket** in advance. https://www.nhm.ac.uk/

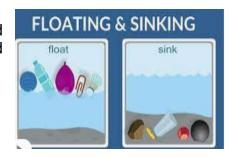

Please ensure that you check the websites for up to date information before visiting.

Science challenge

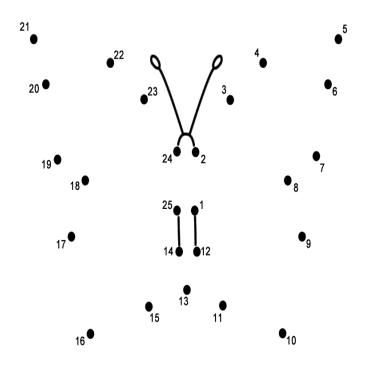

Don't forget to explore science around you:

See how many different Minibeasts you can find in your garden or local park?

- How would you record this information?
 - How would you group them?
 - Find 3 objects that sink and float in water. Does a balloon filled with milk sink or float and why?

Activity ideas: Put the Christmas story in the correct order. Number the pictures 1-6.

Don't forget...

A healthy mind requires a healthy body. Visit one of the many beautiful parks in Tower Hamlets:

- Victoria Park -Weavers Field - Mile End Park

Take your child swimming or learn to ride a bike or scooter to stay fit.

You can also stay fit while at home. Click on any of the links below to join in the fitness fun!

https://www.thisgirlcan.co.uk/activities/disney-workouts/

https://www.bbc.co.uk/programmes/p06tmmvz

https://www.gonoodle.com/tags/xX0LZX/workout

Children who learn to cook are more likely to eat healthily. Eat colourful fruits and vegetables to make sure you are having a healthy diet.
