

Nursery Weekly Homework Week Beginning 11.7.22

Hello Everyone!

This week we are going to be looking ahead to being in Reception next year. We will think about our hopes for Reception, things that we are excited about and things that might be worrying us about the transition.

The Nursery Team

PE- exercise is very important so we encourage you to engage in some form of physical activity. This could be a video on youtube or a walk in your local area.

Let's be Superheroes - <https://www.youtube.com/watch?v=Py4fhsx3Ct4>

Maths

This week for maths we are consolidating what we have learnt over the term. We will be looking at height, distance, subtracting and adding.

Monday - HWe are adding groups of objects this week. have bowls with a different number of objects in each. Encourage your child to add the first bowl then the second. Ask them how many there are altogether. Encourage your child to add another different amount each time. (have no more than 8 objects in each bowl)

Tuesday - Explain to the children that we are continuing to add two groups of the objects together. Recap what happens when you add 2 amounts. Give your child pens and paper. Play <https://uk.splashlearn.com/addition-games> (add with pictures up to ten) encourage your child to write the answer.

Wednesday -play this addition game with your child.
<https://www.topmarks.co.uk/addition/addition-to-10>

Thursday - Explain to your child that we are still working on addition. Recap by showing a line of two different types of fruits (or two different types of objects will be sufficient). Tell your child to tell you how many of a certain fruit there are. Encourage them to write the number. ask your child to count the number of the other fruit and write the number. Ask them to add both the numbers together. Do a few more together with a different number of fruits each time.

Friday - <https://uk.splashlearn.com/addition-games> play this addition game with your child.

Daily Phonics

This week we will be recapping the sounds 'c' -

Practise saying the sound - <https://schools.ruthmiskin.com/training/view/WrP852Jn/Wdd2TqZF>
Practise writing the sound - <https://schools.ruthmiskin.com/training/view/QSHKsSjE/nPvniWv6>
Practise Fred talking the sound - <https://schools.ruthmiskin.com/training/view/7IHMJwdy/hba6RtWl>

Have a go at doing these activities;

1. Write the sound both large and small scale.
2. Sort objects by their initial sounds. Use objects that start with b and some other sounds. You can add objects that start with neither sound as an added challenge.
3. Play Fred's Table - <https://schools.ruthmiskin.com/training/view/NX0bgidW/S8rY0jPc>

Literacy

Our learning intention will be to talk about our transition to Reception..

LS: In Reception, I would like to... I am excited for... I am worried about...

Monday - Explain to the children that our Nursery year is coming to an end, and we are thinking about moving to Reception in September. Tell the children that we are going to make a list of all the things we are excited about moving to Reception for. Have a discussion about what things your children are excited about and make a list.

Tuesday - Recap with children the things they were excited for in Reception next year. Then explain to the children that this is a period of transition and change - and sometimes we might feel nervous or unsure about what is to come. Encourage children to think if there is anything they are worried about in regards to moving to Reception. Then, think of what we can do to help with those worried feelings.

Wednesday - Draw a self portrait. Use this as the start of a small fact file to make that you can give to your new teacher so they know all about you! Draw a picture of your face, and write your name at the top. To extend, have a go at writing the sentence - my name is...

Thursday - Today we are going to add to our self portrait fact file. Think about 5 things that you like - they could be food, games, toys, people, anything. Draw pictures of them on your self-portrait page. Extend by either labelling or writing a sentence (with support) saying one thing that you like. E.g I like pizza.

Friday - Watch these story videos with a transition theme.

<https://www.youtube.com/watch?v=eFGECPidIUe> - Rose Learns about Transitions

<https://www.youtube.com/watch?v=E0PO0QcPxbk> - Cautious Caterpillar

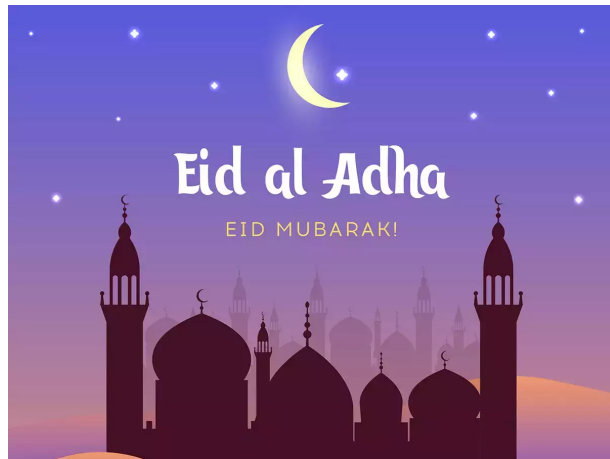

Topic

Creative - Make your own superhero costume. Use some material to make a cape, and draw and cut out your own superhero mask. Use an old cereal box to make it really strong and sturdy. You can decorate it however you'd like.

Understanding the World - On Saturday it was the Islamic festival of Eid al Adha. Talk about how you celebrated. What did you wear? What did you eat? Where did you go? What did you do? Who did you celebrate with? Take photos to remember the special event and to help you to talk about your experience.

PSHE - did you know we have superpowers too? Read this story together. Can you think of what your own superpower is? -

https://www.youtube.com/watch?v=6P-Y_M9q7RM

Sensory play

1. Use jelly, gel or water beads to create your own world for Aquaman.
2. Create your own playdoh superheroes - recipe here: <https://www.bbcgoodfood.com/howto/guide/playdough-recipe>
3. Make a superhero themed lava lamp. <https://www.youtube.com/watch?v=eA67rfLaL4>
4. Create a safe space for your child to try out all their best superhero moves.

You can send pictures of your work to nursery@osmani.towerhamlets.sch.uk or post them in our google classroom.
