

Reach For The Stars

## **Reception Weekly Homework Week Beginning 14/3/22**

You can send pictures of your work to [receptioncrimson@osmani.towerhamlets.sch.uk](mailto:receptioncrimson@osmani.towerhamlets.sch.uk) or [receptionfuchsia@osmani.towerhamlets.sch.uk](mailto:receptionfuchsia@osmani.towerhamlets.sch.uk)

Fola and Romena

### **Maths**

I can compare lengths using < > and =

#### **Learning Intention: Measuring length**

#### **Success Criteria:**

##### **I can...**

say which is taller and shorter

measure height using blocks

measure height using a ruler

say how tall something is

**Monday** - explain that this week we will be thinking about measuring the length of an object. Play this size comparison game with your child. Have a discussion about things around you that are long/short and wide/narrow.

**Tuesday** - complete the tallest and shortest worksheet. [tall short.pdf](#)

**Wednesday**- collect a range of objects from around your home. Ask your child to put the objects in height order from the tallest to the shortest. Are there any that are the same?

**Thursday**- Using the same objects from yesterday, use a ruler to measure how long the object is.

**Friday** - on a piece of paper draw lines of varying lengths. Ask your child to tell you which is longest, shortest etc. Pose the question - how can we find out how long the lines are? Use a ruler to measure the lines. Talk about the numbers and how the bigger the number is the longer the line is.

**Spellings/Phonics**Our school phonics programme is Ruth Miskin's Read, Write Inc. They produce daily phonics lessons on their website - please check this link every day to see the latest session they have uploaded -

Monday -

Tuesday -

Wednesday -

Thursday-

Friday -

## Literacy

**Learning Intentions-** To retell a story

**Success Criteria:** I can...

- say what happens in the beginning
- say what happens in the middle
- say what happens at the end
- add actions to the story.

**Monday -**

**Tuesday -**

**Wednesday -**

**Thursday -**

**Friday -**

## Topic

**1. Hansel and Gretel dropped breadcrumbs in the forest. Here is a simple recipe you can use for making your own bread at home.**

<https://www.bbcgoodfood.com/recipes/easy-white-bread>

While we are at home, it can be difficult to find things to do with children to keep them active at home. Have a look at some easy ways to get your children moving.

### How to help young children learn at home.

You can help your child to learn through the little things you do with them, for example:

- everyday conversations
- make-believe play
- games with numbers or letters
- reading together
- involving them in the things you are doing, such as household chores, and talking with them about it

Find ideas for new things you can try at [Hungry Little Minds](#).

You do not need to set separate time or plan complicated activities dedicated to learning. These activities can be built into everyday life and play.

You know your child best. Avoid forcing them into lengthy planned activities if they naturally respond better to a mix of shorter activities. This can stop them getting bored or frustrated and keep them active, interested and learning through things they enjoy.

For more information on supporting younger children to learn at home, please take a look at the Department for Education's official guidance notes:
