**Faith Community**

Think again about what belonging to a community means to you.  
Who makes up your community?  
What colours are in your community?  
What shapes are in your community? (heart for love, bird for hope)  
Are there any images of religions in your community?  
Use playdough to create your own community sculpture.

##### Changing ME

We are thinking about how very soon, a big change will be occurring in our lives.

We are going to be moving on to Year 2.

What things might be different? What things might be the same? Have a discussion about your expectations, worries and hopes for Year 2 might be. If you find something is worrying you, think about who you could ask for help, and what we could do to help you feel better about the transition. Of course, you may well be very excited about moving on and if so, make a list about all the things you are excited about.
