

## Year 1 Easter Activities

Please select from the activities below to complete during the Easter **half term break**.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |                                                                                                                                                                                                                                 |

| <p>Keep a diary for each day of the holiday. Write down the things that you have done at the end of each day. Remember to use time conjunctions and write in the past tense, using I, we and our.</p> <p>     <br/> happy   embarrassed   scared   nervous </p> | <p>Complete 10 mins of exercise each day eg. running on the spot, star jumps, bunny hops, hopping, skipping, or riding a bike or scooter.</p> <p>You could also play your favourite game with your friends and family. Then, write some instructions to explain how to play.</p> <p>   </p> | <p>Draw your favourite animal or animals. Look carefully and add detail to your pictures. Once you are done, label it or write a sentence about it. You could even make up your own animal from your imagination!</p> <p>         <br/> <small>shutterstock.com · 623696849</small> </p> | <p>Make your own fruit salad! Choose some of your favourite fruit and concoct a delicious fruit salad, just like Mrs Grinling.</p> <p>  </p> |
| <p>Choose your favourite story and make puppets (sock, finger or shadow puppets) to retell it. Perform it to your family at home.</p> <p>  </p>                                                                                                                                                                                                                                                                                                                                                                  | <p>Get outside and be active! Go for a walk and count how many steps you take. Do an activity every day that makes your heart beat faster and makes you feel out of breath.</p> <p>  </p>                                                                                                                                                                                    | <p>Make a model of a lighthouse using household packaging eg. boxes, bottles, paper, card etc</p> <p>  </p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | <p>Design and decorate an Easter egg .</p>                                                                                                                                                                                      |

1. Take a piece of  
A4 paper

2. Fold in half lengthways

3. Fold this in half

4. Then fold each half  
back

5. You have a  
zig zag book!

6. Your child can write  
and/or draw with your  
help—you can use both  
sides of the folding book.
