LI: to learn about Osmosis

Place 4 gummy bears inside four cups that contain one of the following liquids: tap water, salt water, cola and sparkling water. Predict what would happen first and leave overnight. The next morning, take out the gummy bears and observe what has happened.

Then using [www.kidrex.co.uk](http://www.kidrex.co.uk) research what osmosis is and write an explanation to describe what happened to the gummy bears.
