

## Year 1 Half Term Screen Free Homework Activities

### Spring 2 half-term

Please select from the activities below to complete during the **half term break**.

This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

<p>Keep a diary for each day of the holiday. Write down the things that you have done at the end of each day. Remember to use time conjunctions and write in the past tense, using I, we and our.</p> <p>       happy   embarrassed   scared   nervous </p>	<p>Complete 10 mins of exercise each day eg. running on the spot, star jumps, bunny hops, hopping, skipping, or riding a bike or scooter.</p> <p>   </p>	<p>Draw your favourite animal or animals. Look carefully and add detail to your pictures. Once you are done, label it or write a sentence about it. You could even make up your own animal from your imagination!</p> <p>           shutterstock.com · 623696849 </p>	<p>Make your own healthy pizza! You can make a 2 ingredient dough, then add whatever healthy options you wish! See link below for details.</p> <p>  </p>
<p>Choose your favourite story and make puppets (sock, finger or shadow puppets) to retell it. Perform it to your family at home.</p> <p>  </p>	<p>Draw a map of your local area. Include symbols to show important landmarks and your favourite places. Remember to make a key to explain what the symbols mean.</p> <p>  </p>	<p>Make a model of an animal using household packaging eg. boxes, bottles or salt dough - see link below for recipe.</p> <p>  </p>	<p>Write a poem! You can write your own acrostic poem about your favourite food or character. Or, have fun making up rhyming nonsense poems.</p> <p>  </p>
