Maths

Learning Intention: To recap doubling.

Success Criteria:

I can...

- count how many there are.
- explain what double means.
- say the answer.

Starter Activities:

3D shapes on YouTube

The Opposite song: <https://www.youtube.com/watch?v=HGeuA4iJ8vI>

Main Activity:

Children to make their own lanterns with doubled spots/pattern on. Lantern shaped folded paper, chn put pattern on one side using paint and say what the double is/will be. Challenge yourself further by attempting to double 2 digit numbers (11-20).

Oak National Academy (Maths):

Oak National Academy is providing Maths lessons for Reception. While they do not follow the same themes we are focussing on in our school planning, feel free to browse their website for additional learning for your children. Each week, they have daily lessons. Have a look at some focused on doubling:

Literacy

Learning Intentions- To write sentences of what we can see on our train ride.

Success Criteria:

I can...

- start on the left.
- use a capital letter at the beginning.
- use finger spaces between words.
- finish with a full stop.
- read for meaning
- check my work using the checklist

Listen to the story 'The train ride'

<https://www.youtube.com/watch?v=jHbE8kaBDKU&t=65s>

Discuss the following questions- Have you ever been on a train ride? What was it like? Where did you go? Do you remember what you saw out the train window?

Think about a train ride you would like to go on. I wonder what you will see out the train window...

Write a few sentences using the following sentence starter: 'I can see a...'

Remember to draw the things you see as you write about them.

*Remember to record work in H/W book and upload onto Google classroom.

Oak National Academy (Literacy):

Oak National Academy is providing literacy lessons for Reception. While they do not follow the same themes we are focussing on in our school planning, feel free to browse their website for additional learning for your children. Each week, they have daily lessons.

<https://classroom.thenational.academy/units/the-king-and-the-moon-a75a> (The King and the moon)

Topic

1. See if you can use a range of materials from around the house to make your very own train. I wonder what you will use and where will you go?
2. Go on a virtual train ride. Have a look online to see the different train journeys. Think about what you can see and have a go at drawing your very own journey timeline.

PE

1. Here are some suggestions for activities that can help keep your child active at home: YouTube (Just Dance Kids) -

<https://www.youtube.com/watch?v=52pdkAMDe4&t=29s>

PE With Joe Wicks - Follow PE With Joe on Youtube (every morning at 9am) -

How to help young children learn at home.

You can help your child to learn through the little things you do with them, for example:

- everyday conversations
- make-believe play
- games with numbers or letters
- reading together
- involving them in the things you are doing, such as household chores, and talking with them about it

Find ideas for new things you can try at [Hungry Little Minds](#).

You do not need to set separate time or plan complicated activities dedicated to learning. These activities can be built into everyday life and play.

You know your child best. Avoid forcing them into lengthy planned activities if they naturally respond better to a mix of shorter activities. This can stop them getting bored or frustrated and keep them active, interested and learning through things they enjoy.

For more information on supporting younger children to learn at home, please take a look at the Department for Education's official guidance notes:

https://www.gov.uk/guidance/help-children-aged-2-to-4-to-learn-at-home-during-coronavirus-covid-19?utm_source=d4aed7a4-ce4e-4aea-a281-51efb1d48070&utm_medium=email&utm_campaign=govuk-notifications&utm_content=daily
