

Reception May Holiday Homework

Hello Reception!

Here is a selection of fun, enjoyable activities for you and your family to do during your half term break. We hope you enjoy doing as many of them as you can. You can also go back to our previous home learning sheets to find even more ideas of things to do.

On behalf of all of us in Reception, we hope you all stay safe and well, and enjoy a peaceful, relaxing half term.

Samirah and Romena

<p><u>Becoming more independent</u></p> <p>Explain to your children that after half term we will have an additional PE lesson on Friday where we will be changing into our PE clothes.</p> <p>Give your children lots of opportunities to do everyday tasks on their own</p> <ul style="list-style-type: none"> • Getting dressed independently (focus on putting on and taking off shirts/jumpers/dresses and shoes) 	<p><u>Make a memory box</u></p> <p>Explain to children that this term is their last week in Reception, so together make and decorate a special memory box that will hold all the wonderful memories of the last year, get the children to talk about their favourite memories of the last year and put them inside the box (this could be pictures/drawing/school/home learning etc). Close the box and explain how we will always have the memories of all the fun and exciting things we have done and that the next year will also be full of fun and exciting things that they will always remember!</p>	<p><u>Have a family arts and crafts day -</u></p> <p>spend time drawing, making and creating together as a family. You can use a number of things from around your home including fabric, old clothes, string and paint to make a collage or piece of art. If you haven't got paint you can use beetroot, turmeric and even spinach leaves to make your own.</p>
<p><u>Sensory play</u></p> <p>Sensory play is always lots of fun and easy to do with items around the home. Here are some things you can use:</p> <ul style="list-style-type: none"> • Cornflour • Washing up liquid to make foam and bubbles • Hair gel • Bubble wrap 	<p><u>Storytelling</u></p> <p>use toys and other props to tell your favourite stories or make up your own.</p>	<p><u>Understanding the world</u></p> <p>Go for a walk with your child and talk about the things you can see. Find out what aspect of nature your child is interested in and watch videos or read books related to this.</p>
