Creative Arts/DT/Music

In line with our Dressing Up theme, and continuing to think with superheroes in mind, can you design a superhero logo?

Think about - what shape/s might you use? What colour would you like it to be?

Draw and label 4 different designs. Then choose your best one to write a description.

My logo is...

It has...

I like it because...

PSHE

Changing ME

We are thinking about how very soon, a big change will be occurring in our lives.

We are going to be moving on to Year 2.

What things might be different? What things might be the same? Have a discussion about your expectations, worries and hopes for Year 2 might be. If you find something is worrying you, think about who you could ask for help, and what we could do to help you feel better about the transition. Of course, you may well be very excited about moving on and if so, make a list about all the things you are excited about.
