SCIENCE

Electricity

How much do we rely on electricity? - Lesson 6

<https://classroom.thenational.academy/units/electrical-circuits-06f7>

HISTORY/GEOGRAPHY

How will we use and produce energy in the future? - Lesson 6

Click on the link below to find out more. Then, write an SA to explain what you have learned.

PSHE

Goodbye Year 4!

As you come to the end of Year 4, think of all your favourite moments of learning and enjoyment in Year 4.

This might include particular lessons, workshops, trips, virtual trips, learning new skills during remote learning or the joy of returning to school after the lockdown ended.

As you say goodbye to Year 4, reflect on your best moments of Year 4 and create a poster to illustrate these special memories.

Place your poster on a familiar place at home so that you can remember all your favourite Year 4 moments during the summer holidays.

RE

Reflect on all the learning you have done in Year 4 to help you understand how different people live their lives.

Create a poster showing symbols from different beliefs we have learned about and celebrated in our festival assemblies. Think of symbols used in celebrations such as:

- Eid
- Christmas
- Hannukah
- Chinese New Year
- Diwali

Try to include different symbols with their appropriate colours to make each symbol stand out. Then bring in your poster to class or email a picture of it to your class email to share with your friends in class.

DT/ART

Design

Developing an idea - Lesson 5

Click on the link below to find out more. Then write an SA to explain what you have learned from this lesson.
