### Year 3 'Screen-Free' Half Term Project Homework

This homework has been set for the week beginning 31<sup>st</sup> May 2021 during the Summer Half Term Holidays.

**If your child wishes to share their work with the class, they will be given the opportunity to do so at some point.**

This project homework has been set to encourage children to be 'screen-free', so there are no research-based activities set for children in this project. For this project homework, please select one or more activities below and complete them. This homework project is for the whole family to get involved with and we would encourage children to get help completing any of the activities.

<p>Challenge your body to a bootcamp challenge. KS2 - complete 10 mins of Just Dance each day. Complete a Joe Wickes video each day or create your own exercise routine at home and draw pictures.</p> 	<p>Draw a poster showing how a festival is celebrated e.g. Easter, Chinese New Year, Eid, Passover etc.</p> 	<p>Write a song/diary entry or poem about a special event or a day out. For e.g, Eid, shopping or family day out.</p> 	<p>Write a recipe of your favourite food and cook/bake it with an adult or create your own recipe. Take photos and send it to the school office::</p> <p><a href="mailto:admin@osmani.towerhamlets.sch.uk">admin@osmani.towerhamlets.sch.uk</a></p> 
<p>Plant some seeds to grow your own plant. Keep a diary and record the changes in growth that take place.</p> 	<p>Create a sequence of movements e.g., star jumps, jogging on the spot, hopping on the spot, skipping. Challenge yourself to increase your exercise each day!</p> 	<p>Perform a science experiment. Have you experienced the joy of Mentos in a Diet Coke? Have you created a storm in a glass jar? Or made a volcano out of vinegar and baking soda? Check out this website for ideas:</p> <p><a href="https://www.sciencefun.org/kidszone/experiments/">https://www.sciencefun.org/kidszone/experiments/</a></p> 	<p>Go for a walk in the local area and look for local landmarks. Create a map showing them. Challenge: Create your own key.</p> 

Osmani Primary School

<p>Create origami of different animals/plants/objects. Encourage your family to join in with the activity: <a href="https://www.easypeasyandfun.com/easy-origami-for-kids/">https://www.easypeasyandfun.com/easy-origami-for-kids/</a></p> 	<p>Write a short story or a poem for the Creative Writing Competition: <a href="https://www.towerhamlets-sls.org.uk/cwc21/">https://www.towerhamlets-sls.org.uk/cwc21/</a></p> 	<p>Play a board game with your family that involves Maths (e.g. has a dice) or create a Maths board game (e.g. your own version of snakes and ladders).</p> 	<p>Sketch your favourite item in nature (tree, clouds, flower etc) or build a structure using recycling materials (cardboard, plastic bottles, plastic containers etc).</p> 
<p>Create your own 'alphabet' using symbols of your choice. Write a secret message for a friend to decode or create a treasure hunt with a map.</p> <p><b>CAN YOU CRACK THE CODE?</b></p> 	<p>Take a walk around your local neighbourhood and draw a route map of where you went or go cycling/scootering/jogging around your local neighbourhood.</p> 	<p>Put on your own sock/finger/shadow puppet show or do some shadow drawing using light source and objects around the house.</p> 	<p><b>Create Chalk Art.</b> Hopscotch in the garden or in the park is so much fun! Remember, chalk washes off almost all surfaces easily, including wood fences and benches. So have lots of fun!</p> 
<p><b>Show Racism the Red Card</b></p>  <p>Create a poster, write a poem or write a short story about stopping racism.</p> <p>Be as creative as you like!</p>			

**Free choice:** Pick a project of your own to complete - remember they are based on 'screen-free' activities.
