

## **Year 5 Weekly Homework Week Beginning 11<sup>th</sup> May 2020**

Hello Year 5's, hope you have all had a good weekend. It is time for another round of work, please continue to practice all of the skills you have been taught in Year 5 by completing the activities below. Be safe and remember: if you are finding some of this learning challenging - think about what you could do to get out of the 'learning pit'. Remember to use your growth mindset.

### **Times tables**

Practice your 6- and 7-times tables and their division facts. Ask your parents and siblings to test you. Remember knowing all your times tables will be vital next year.

### **Number bonds:**

T- Number bonds to 50 write all the numbers between 0 and 50 on paper. Next to it add the number you can add to make the total 50.

TT/TTT: Learn and memorise all of your number bonds to 1000 (in both powers of 10 e.g  $400 + 600 = 1000$ ,  $570 + 430 = 1000$  and numbers including ones, e.g  $339 + 661 = 1000$  or  $298 + 702 = 1000$ )

### **Maths**

This week we are all going to be rounding.

Listen to the song below it will help you remember how to round.

<https://www.youtube.com/watch?v=sdq2ckDsSbA>

Roll a dice two times and write down the numbers you get. E.g. 2 3

Then write the number as a Decimal. E.g 2.3

Now round the number to the nearest whole number

Create 6 decimal numbers and round them to the nearest **whole** number

Next step:

Once you have completed this, throw the dice three times and write down the numbers you get. E.g 6 4 9

Then write a decimal number using those numbers e.g 6.49.

Now round this to the nearest one decimal place.

Create 6 more decimal numbers and round to the nearest **one** decimal place.

Remember you can practice these skills on: <https://www.mathsisfun.com/numbers/index.html>

## Spellings

### Summer 1: Tricky - Week 4

#### Spelling convention:

1. basic
2. maple
3. radio
4. potato
5. fatal
6. remain
7. explain
8. afraid

#### Topic Vocabulary:

9. Extra terrestrial
10. Space shuttle
11. landing

#### Mis-spelled words

12. wouldn't
13. improve
14. beautiful
15. people

### Summer 1: Trickier - Week 4

#### Spelling convention:

1. diner
2. dinner
3. biter
4. bitter
5. coma
6. comma
7. messy
8. carrot

#### Topic Vocabulary:

9. Extra terrestrial
10. Space shuttle
11. landing

#### Mis-spelled words:

12. address
13. fruit
14. guide
15. complete

### Summer 1: Trickiest - Week 4

#### Spelling convention:

1. wolf
2. wolves
3. knife
4. knives
5. loaf
6. loaves
7. life
8. lives

#### Topic Vocabulary:

9. Extra terrestrial
10. Space shuttle
11. landing

#### Mis-spelled words:

12. industry
13. theories
14. relies
15. industries

## Literacy

Parenthesis is a word, phrase, or clause inserted into a sentence to add extra, subordinate or clarifying information. When a parenthesis is removed, the sentence still makes sense on its own. Parenthesis can be a comma , bracket ( ) or dash –

Which of the following sentences use the correct punctuation for parenthesis:

A. Gabriel, who had been off ill for a few days, returned to school on Monday.

B. Gabriel who had been off ill for a few days returned to school on Monday.

C. Gabriel, who had been off ill for a few days returned to school on Monday.

A. The sofa bed in the corner of my bedroom is used – when my friends stay – and when granny comes to visit

B. The sofa bed – in the corner of my bedroom is used when my friends stay and – when granny comes to visit.

C. The sofa bed – in the corner of my bedroom – is used when my friends stay and when granny comes to visit.

Write a short descriptive paragraph describing the scene.

T: Include fronted adverbials (time, place, manner); -ly starter;

Noun, who/which; 2A; BOYS; complex sentences.

TT/TTT: as above but also include subordinating conjunctions, complex sentences: -ing –ed starters: De: de sentences.
