Read stories that he loves and enjoys. Get him to join in with the repeated words in the story and perform actions and expressions. Ask questions about what has happened, what might happen next, and their opinions on the story and characters.

SCIENCE

1. Sink or float?

Get a large container (eg a bowl or plastic box), fill it with water, and with the children collect a range of objects from around the home. Then take it in turns to drop an object into the water – after guessing whether it will sink or float.

HISTORY

2 Look at different war planes and create your own using resources from within the home.
