

## **Reception Weekly Homework Week Beginning 7/12/20**

You can send pictures of your work to [receptioncrimson@osmani.towerhamlets.sch.uk](mailto:receptioncrimson@osmani.towerhamlets.sch.uk) or [receptionfuchsia@osmani.towerhamlets.sch.uk](mailto:receptionfuchsia@osmani.towerhamlets.sch.uk)

Samirah and Romena

### **Maths**

**Learning Intention:** To add 2 groups together to find the total.

Explain to children that this week will be learning how to add 2 groups together to find the total.

1. collect some objects from around the house and separate them into 2 groups (e.g 5 apples and 2 bananas) count how many objects there are in each group and explain that we need to count the fruits altogether to find the total.
2. Tell children that we will be taking turns to count how many toys/fruits we have, ask them that we need to find the total and we can do this by counting how many objects we have altogether.
3. Have a go at making an adding machine using recycled materials

### **Oak National Academy (Maths):**

Oak National Academy is providing Maths lessons for Reception. While they do not follow the same themes we are focussing on in our school planning, feel free to browse their website for additional learning for your children. Each week, they have daily lessons.

**Lesson 1:**

<https://classroom.thenational.academy/lessons/using-manipulatives-to-count-on-when-adding-60vpat>

**Lesson 2:**

<https://classroom.thenational.academy/lessons/adding-two-numbers-using-a-number-track-to-count-on-cmvk0t>

**Spellings/Phonics** Our school phonics programme is Ruth Miskin's Read, Write Inc. They produce daily phonics lessons on their website - please check this link every day to see the latest session they have uploaded -

## **Literacy**

**Learning Intentions-** To act out the story of the nativity.

This week we will be learning all about the Nativity and focusing on retelling the story.

1. <https://www.youtube.com/watch?v=FrTFAZPQxpE>- Listen to the Nativity story and discuss who is in the story, the key events and why it is special.
2. Listen to the songs from the 'Little Nativity' and join along with the singing.  
[https://www.youtube.com/watch?v=FTmzp\\_T58EQ](https://www.youtube.com/watch?v=FTmzp_T58EQ)
3. Make stick puppets of the different characters in the story and have a go at retelling the story.

### How to help young children learn at home.

You can help your child to learn through the little things you do with them, for example:

- everyday conversations
- make-believe play
- games with numbers or letters
- reading together
- involving them in the things you are doing, such as household chores, and talking with them about it

Find ideas for new things you can try at [Hungry Little Minds](#).

You do not need to set separate time or plan complicated activities dedicated to learning. These activities can be built into everyday life and play.

You know your child best. Avoid forcing them into lengthy planned activities if they naturally respond better to a mix of shorter activities. This can stop them getting bored or frustrated and keep them active, interested and learning through things they enjoy.

For more information on supporting younger children to learn at home, please take a look at the Department for Education's official guidance notes:
