Art challenge!

Have you begun to create your magical story map?

Thinking about the dangers hiding within this map - use pencils, crayons, felt tips, paint or collage materials to create this fantastic fantasy map!

Remember there may be hidden dangers along the way to the magical castle.

Look at the examples below for more ideas:

-Deadly creatures (e.g. dragons, cyclops, evil fairies, gargoyles, trolls and ogres).

-Dangerous natural features (e.g. sinking sandpits, monstrous mountains, ferocious flora that make you freeze or faint!)

Horrible man made features (e.g. bridges that bewilder you, walls that are impossible to climb, trenches filled with tarantulas!)

Use your imagination to create a map that will guide you safely through all these dangers to reach the magical castle.

Complete and hand in your map by **Friday 4th December 2020.**
