RE

What is the importance of the value of love? How did Jesus teach his followers to love?

Think about three Bible quotations:

“Where your treasure is, there will your heart be also.”

“Greater love has no one than this, that they lay down their life for their friends”

“The last enemy that shall be destroyed is death.”

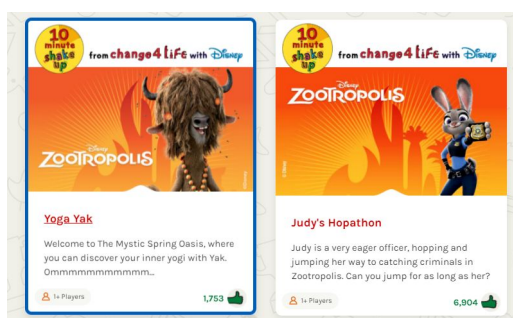

In a sense, all three are about love: Christians believe that the love of God is the greatest treasure; that giving your life for others is the greatest love, and that in the end, love wins and even death will be destroyed.

What do they think each one means? It is interesting that these are the three Bible quotations found in the Harry Potter books.

‘Love is / Love is not / Love does not / Love always / Love never...’

Write your own descriptive poetry about love, using the sentence stems above.
